ABOUT

A passionate and self-motivated learner with a strong foundation in JavaScript, C++, SQL, and Data Structures & Algorithms (DSA). Dedicated to continuous learning and problem-solving. Always eager to take on new challenges and apply my skills to build efficient, scalable, and impactful solutions.

EDUCATION

Bachelors of Technology (B. Tech), Computer Science and Engineering	2022 - 2026
I.P.S Academy, Institute of Engineering and Science	Indore, India
Senior Secondary (Class 12)	2021 - 2022
Kailashpat Singhanian High School	Chhindwara, India

SKILLS

Programming	C/C++, Javascript, Python, SQL
Frontend	HTML, CSS, Javascript, React.js, Tailwind CSS
Backend/ Databases	Node.js, Express.js, Mongo DB, My SQL
Tools and Platforms	GitHub, VS Code, Google Cloud Platform (GCP)
Concepts	Object-Oriented Programming (OOP's), Data Structures and Algorithm (DSA)

EXPERIENCE

Web Development Intern	may 2024-june 2024
TechnoHacks Pvt.Ltd	Pune, India

- Completed a 1-month project-based internship, laying the foundation of my interest in web development.
- Built 5+ beginner-level projects including login pages, registration forms, and responsive UI components using HTML, CSS, and JavaScript.
- Participated in live sessions, gaining exposure to real-world development practices and IT market insights.
- Developed practical skills in frontend logic and user-focused design while improving problem-solving and code structuring

PROJECTS

- Portfolio** - A clean, responsive personal website showcasing my skills, projects, and journey as a developer.
- Celestia** - An intelligent chatbot built using the Gemini API, designed for personalized interactions and task assistance.

ACHIEVEMENTS

- Successfully completed the **GeeksforGeeks 160 Days DSA Challenge**, solving **one DSA question daily** for **160 consecutive days**.
- Participated in **Google Cloud Arcade Games**, gaining hands-on experience in **GCP** and earning **goodies**.
